

BICO Youth Ministry Program

Gertrude Gomani story

I was a beneficiary of the retreat funds granted to St Michael and all Angels youth, & I'd like to give a summary of the December retreat.

We left on the 25th of December, 2014. When we got to Mangochi, it was around 4 pm. They allocated us into hostels and gave us roommates. Because it had been a long journey, the first program was abit refreshing. It was about sexual purity by Mr. Kaudzu. We were taught that as children of God we need to refrain from sexual immorality and live holy lives consecrated for God. It was lively, & everyone was moved to change.

The following day we woke up at 6 for the Morning devotion. Then we proceeded for a service, Sexual Purity 2 by the same speaker. It was a continuation of the same topic. We went on to having another speaker, Pastor John Semphere who taught about Building. The Spiritual Muscle. People were prayed for and we learnt a lot.

In the afternoon we had another speaker, Rev Chitao. He talked about being led by the Spirit. Then we breaked for recreation from 4 to 5 pm. We went to swim at the lake, which was a few metres from the hostels.

We had talent show after recreation. The following day we had Pastor Noah teaching about Prayer. It was great, & i learnt several secrets. In the afternoon Pastor Chitao taught about Driven by the Spirit too, but in the evening there was no power so we just worshipped. Several people received revelations from God, & there were a lot of messages. I did not receive a message myself, but i had a good time in the presence of God.

The following day was a Sunday and the day for departure. We had a service and Rev Chitao led it. We had retreat revaluations and took off after lunch on the same day.

I am thankful to BICO Youth Ministry program for the provision of the funds for the retreat. It has built my life, & iam not the same again. Moreover it gave me a chance to connect with Christian friends. Some of them have become very good friends. Attached to this email is my photo at the lake during the retreat.

God bless you people.
